SUBJECT: BLUE LANTERN LEVEL 3: PRE-LICENSE END-USE CHECK  
ON APPLICATION 050180288

REF: 2006 BLUE LANTERN GUIDEBOOK

This is an Action Request. See paragraphs 2-4.

¶2. The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests AIT-Taipei's assistance in conducting a pre-license check on application 050180288 for the export of three International Traffic in Arms Regulations (ITAR) - controlled power amplifiers to Taiwan. AIT-Taipei is requested to complete this Blue Lantern within 30 days. Lack of response to a Blue Lantern inquiry will affect pending and future licenses involving parties to this license.

¶3. Reason for request: Unfamiliar Foreign Consignee May Geng Duo Development Co., Ltd; to verify role of unlisted foreign party Channel Link Inc. in this transaction (Note: May Geng Duo Development and Channel Link Inc. used same telephone and fax numbers in their documentation, but they do not appear to be co-located); no documentation from End-User.

¶4. ACTION: Department requests that AIT-Taipei make inquiries to establish the bona fides of May Geng Duo Development Co., Ltd and Channel Link Inc. in the proposed transaction. Conduct site visits to assess these firms' reliability as recipients of United States Munitions List (USML) articles as well as their operations and on-site security. Also, confirm with Chung Shan Institute of Science and Technology that it ordered the items listed for the purpose stated on the application.

The following questions provide suggested guidance for May Geng Duo Development Co. Ltd and Channel Link Inc.:

- Can your company provide documentation (e.g. purchase order, contract, or letter of intent) from Chung Shan Institute of Science and Technology firmly establishing it as the end user of the items?
- What is your company's exact role in this transaction?
- Documents submitted in support of the application include an order confirmation from Channel Link Inc., Hsintien, Taiwan, to Dage Corporation dated 30 June 2009. This firm's name, however, does not appear on the application. Why was Channel Link Inc.'s name not included on the application?
- Who are this firm's main customers and where are they located?
- What other products are sold by your company?
- How long has your company been in the business of importing and selling defense articles?
- Are you familiar with the restrictions against the unauthorized re-export or retransfer of U.S.-origin defense articles?

(To Chung Shan Institute for Science & Technology (CSIST)):

- Please confirm an order for the items listed on license application 050180288.

- How long has CSIST done business with May Geng Duo Development Co. Ltd, and with Channel Link Inc., respectively?

- What is the specific role of each firm in the proposed transaction?

- Documents submitted in support of the application include an order confirmation from Channel Link Inc., Hsintien, Taiwan, to Dage Corporation dated 30 June 2009. This firm's name, however, does not appear on the application. Why was Channel Link Inc.'s name not included on the application?

End ACTION request.
